Objective

I would love to obtain a position where not only my education and my skill can be creatively utilized, but where I can make people's envision a reality and inspire them.

Industry Skills

- Adobe Photoshop, Lightroom - Creation of graphics, art, photo manipulation and color correction.
- Adobe Illustrator - Creation of vector graphics and illustrations.
- Adobe Draw and Sketch • Procreate - Creation of scalable art with vector brushes.
- InDesign, Quark - Desktop Publishing. Elegant Layouts.
- Adobe Animate - Vector Animations and more.
- Microsoft Word, Excel, PowerPoint and Access.
- Dreamweaver - Design and develop modern, responsive web sites.
- Bilingual (read and write in Spanish)

Education

International Academy of Design and Technology
Bachelor of Fine Arts, Graphic Design

Tampa, Florida. USA
September 2006

Related Experience

Freelance Work (Remotely) **Graphic Designer/ Illustrator/ Digital Painter**

Holiday, Florida
Since December 2008

- I assist clients with a variety of digital and non-digital work. I make sure that their ideas come to life, and that their brand or project is as amazing as what they envision.

Imagine Solutions Group (Remotely) **Leader Graphic Designer/ Illustrator/ Web Designer**

San Antonio, Florida
Since September 2013

- I have been working remotely with an amazing team. Making sure customers are happy and that their ideas and essence of what their business does come to life in incredible designs.

Idea Seven LLC. (Remotely) **Leader Graphic Designer/ Photoshop Specialist/ Illustrator**

Las Vegas, Nevada
June 2010 - November 2017

- I worked remotely for almost 8 years for this company, which was an amazing experience. I created all their Graphic Design needs. Created fun icons and many illustrations for their incredible App, plus Digital drawing.

Pure Postcards **Graphic Designer**

Clearwater, Florida
October 2009 - June 2010

- I assisted clients with stationery design, postcards, flyers, folders, and other marketing materials design.

Hispanic Yellow Pages (Directorio en Español) **Graphic Designer / Director Assistant**

Oldsmar, Florida
November 2004 - Dec 2008

- This was my first job as an actual Designer. I assisted clients with ad creation and web banners and marketing design. I was responsible for the stationery of the entire company. And in charge of the design of the Houston and Chicago Directories. Helped with the translation of ads and proofreading as well. I had a great experience working here.
